Dear Mr. Patterson:

The Department of Natural Resources, Waste Management Program, has received five (5) copies of your application for a hazardous waste storage facility permit. The department will review the application for completeness in accordance with 260.395, RSMo and 10 CSR 25-7. This process is anticipated to take thirty (30) days. Once the application is deemed either complete or incomplete the department will notify you within fifteen (15) days.

The Missouri Hazardous Waste Management Commission recently promulgated rules applicable to Public Participation and Hearings. I am enclosing a copy of this rule for your information, as this new rule will replace the existing rule 10 CSR 25-3.010. Your application will be subject to the new rule.

The department appreciates your efforts in submitting your application in a timely manner and will be glad to answer any of your questions. If you have any question concerning your application please address them to Mr. Joe Jansen. Mr. Jansen has been designated the application review engineer for your application.

Sincerely,

John D. Doyle, P.E.
